SO THE PEOPLE MAY KNOW!

Through the recent publicity and statements made by Mr. Mullen, former policeman, we think that it is time to refute such malicious scandal and untruthful statements that are being made through the press.

Mullen purchased this district from a former policeman, Dell Feree for the sum of \$750.00; did his own collecting and police work. Finally, a petition was sent to the supervisors for a Police District for Brisbane. Results were, the district was formed and commissioners appointed. Mr. Mullen was appointed policeman of the district and sworn in February of this year and his appointment was only to the 5th of April, 1948. New commissioners were elected, knowing the conditions and the feeling of the people regarding Mr. Mullen. HE WAS NOT REAPPOINTED. He sent in his application for police chief along with 5 other applicants. Final disposition of applications are still pending.

Mullen's Car was picked up by the Bank of America in February for nonpayment. In order to keep Mr. Mullen on the job, so that the district was not without a policeman in February, Bybee, the commissioner furnished the money to regain his car from the bank, so that Mr. Mullen may have transportation, the Bybee Bros. Service Station, took his car, financed another car for him and put him back on the job, furnished him with gasoline and oil and repairs to the sum of \$185.

Since that time, they have carried his account each month for gasoline and oil. Mr. Mullen has failed to pay his telephone and rent at the Yellow Cab Office while he was there. All this time

he was doing his own collecting and taking money from the merchants and business establishments. The month of May, he personally collected from the merchants \$162.00; according to his own statement. This collection was partly due to the recent letters sent out by the commission asking for support of the district—in addition to this amount \$420.00 was received direct by contributions to the district. \$75 was given to Mr. Mullen, that made a total of \$237 that he had received personally in the month of May without paying a cent on any of his debts. He asked us to pay the \$185 indebtedness to Bybee Bros., also to pay the \$99.99 telephone and rent to the Yellow Cab Office. The commission felt that it was time they were getting a little money to pay up the obligations that Mr. Mullens had incurred without the consent of the commission.

On May the 22nd, Mr. Mullens was called into a special meeting with the commission and was instructed to close up all gambling and slot machines in the town. Mr. Mullen asked what to do if they refused, and was instructed to call the sheriff's office for help. As for Mr. Mullen he has never suggested at any time to the commission anything for the betterment of the district.

The results are as follows, statement of the \$420 secured by the commission:

Total Amount Collected to June 1, 1948 by Commission - \$420.00

Total Amount Collected to June 1, 1948 by Mr. Mullen - \$162.00
(as for word - Mullen)

TOTAL \$582.00

Accounts Paid:

Fred Mullens - - - \$75.00

HOME TOWN FOLKS

On the 21st of May, a shower was given for Mrs. John Gomez at the home of Mrs. Sam Merza. Mrs. Gomez received over 50 beautiful gifts.

The guests played games and later in the evening had a very large cake with a very cute stork on it. Lots of good salad, sandwiches and coffee. A wonderful time was enjoyed by all.

The next comemorative stamp —The Four Chaplains, will be issued through the Washington, D. C. Post Office on May 28, 1948.

The following day, May 29, 1948 the Wisconsin Statehood Centennial will be issued through the Madison, Wisconsin Post Office. These two stamps will be available as soon as possible at your local Post Office.

Margaret E. Tann, Postmaster.

Mr. Richard Wright spent a thirteen day furlough recently at the home of his parents Mr. and Mrs. R. G. Wright of 454 Mendocino Street. Mr. Wright has been stationed aboard the destroyer Norman K. Terry and has spent the last year in Shanghai, China. With him, as invited guest, was a very close friend Mr. Gene Williams of Los Angeles who enjoyed the visit immensely.

Mr. and Mrs. L. Blair recently entertained Mr. Blair's mother Mrs. Burnham of New Jersey who spent an enjoyable seven weeks visiting.

The former Pastor of the Brisbane First Baptist Church, Rev. L. C. Smith and Mrs. Marie F. Smith, his wife, are happy to announce the birth of a granddaughter, Kathleen Marie, 7 lbs., 10 ozs. to their daughter Isabelle F. Stokes and J. Bryan Stokes, May 21st.

Miss Dona Wells, niece of Mrs. John Muzzy of 351 Mariposa St., Brisbane, was married Saturday evening 8:00 P. M., May 29th at her home 52 Vesta Street, San Francisco to Mr. Clarence Silvestro also of San Francisco. After a short honeymoon the couple will reside at 56 Vesta Street, S. F.

Sympathy is extended to Mr. and Mrs. Britton at 48 Visitacion Avenue whose baby daughter 3 months old died Saturday, June 5th. Ambulance was called at 8:15 a. m. Use of recuscitator was needed. Mr. Tann worked 40 minutes at the home to no avail. Dr. Guardno, attending physician.

The families of Messrs. Krampert and Woodard fully expected to enjoy an abalone dinner one beautiful May day recently. Arising at 5:00 A. M. and returning at 4:00 P. M. the fishermen brought—not abalone - but lots of excuses, why!

Mr. William Cerben of 227 Mariposa Street and Hattie L. Dollard of Chicago, Ill. were married May 3rd, 1948. Congratulations Mr. and Mrs. Cerben!

Mrs. Agnes Whitson, and daughter Florence flew to New York May 22 to be with Mr. Whitson, who was quite ill at the time at St Albon's Naval Hospital. Latest reports are that he is improved.

Miss Emily Fish was hospitalized in San Mateo Community Hospital, in May. She was 83 years of age and unable to take care of herself, due to ill health and malnutrition. Miss Fish said she had no relatives.

Congratulations to Mr. and Mrs. Joseph Fiet of 473 Mariposa Street who are the proud parents of a

HIGH COST OF WATER PUBLIC HEARING JUNE 21st

The Brisbane Water Company has applied to the Public Utilities Commission for authority to increase rates. The notice of hearing appears elsewhere in this issue. The date - June 21 at 10 a. m. in the American Legion Hall on Alvarado Street. The hearing will be held before Examiner Ross.

At a Chamber of Commerce meeting held last Tuesday night at the school, the question of inadequate water was openly discussed by a large gathering. Many instances of inadequate water for domestic use were presented by those present and Chairman Kennedy urged every complaint to be presented in writing in order that they might be presented at the hearing.

It is tremendously IMPORTANT that all complaints be put in writing to carry weight with the Public Utility Commission. If it is impossible to be present at the hearing you may leave your complaint at the office of H. Earle Woodard, 312 Visitacion Ave. and they will be presented by someone who can attend.

At this same meeting the Commissioners of the Brisbane Fire District brought the public up to date as to their progress in procuring a greater volume of water for fire protection. Propositions submitted to the District by the lower system provide that the Commissioners contract to pay upwards of one thousand dollars per year in the form of hydrant rentals and installations to offset the cost of laying larger water mains over approximately one-third of the system.

NOTICE OF HEARING

Before the Public Utilities Commission of the State of California. In the Matter of the Application of **BRISBANE WATER CO.** for Authority to increase rates. (Application No. 28781)

NOTICE IS HEREBY GIVEN that the Public Utilities Commission of the State of California has set the hearing in the above entitled matter before Examiner Ross for Monday, June 21, 1948 at 10:00 A. M., in the American Legion Hall, Brisbane, California, at which time and place all interested parties may appear and be heard.

BY ORDER OF THE PUBLIC

UTILITIES COMMISSION.

Dated at San Francisco, this 7th day of June, 1948.

R. J. Pajalich, Secretary
Public Utilities Commission of the
State of California.

GOOFY GOSSIP

I sat in my office one day last week thinking about what a beautiful day and it happened to be a day or two after Memorial Day. I had just been reading about what a day it had been all over the country.

At this point my mind went back to the Cemetery where my Father and Mother were buried, I could visualize that beautiful spot, where the people of the Community gathered each Memorial Day to pay a tribute to their departed relatives and friends by placing flowers on their graves of every color of the rainbow. I could from past experiences, visualize these people at peace with the world without seemingly a care of any kind.

Then this thought, how different the outside world seems to be, when you look at the headlines of the newspapers and listen to the news on the radio, and what a shock one receives after contemplating the peaceful atmosphere of a few moments ago. Charges and counter-charges, no one seems to agree on anything. The Jews and the Arabs fighting over territory one-eighth the size of Utah, or about the size of one county in California. Strikes for higher wages and after the raise is granted will never make up for what has been lost during the strike. Arguments over principals we have just got through fighting a war. We are told that we are now fighting a

Cold War that could turn into a Hot War. Right here in our little old town of Brisbane, we, some few weeks ago elected a Police Commission to handle the Police District with no money to handle it with, then we criticize the Commission because they take money to get a district under way, after we were told that it was through popular subscription that the district was to be run until such time as the budget money comes in.

Lets stop this continued back-biting and GOOFY GOSSIP and find out the truth of the matter before we criticize.

This is my first of this column and just how much space I am to get this into, I do not know, this is only the beginning. I will continue this each and every month and will bring to you many things that need the attention of this community, the WHOLE-HEARTED support of each and every home owner in Brisbane. Such as water, sewer, Police District, road conditions and many things that will confront us in the future to make this a better community to

CALIFORNIA'S NEW MOTOR VEHICLE FINANCIAL RESPONSIBILITY LAW

(Effective July 1, 1948)

The principal feature of this drastic new law provides for suspension of the license of an uninsured driver involved in an accident, EVEN IF HE IS NOT AT FAULT . . . unless he can promptly deposit cash or securities which may amount to many thousands of dollars.

Therefore, those who already carry Automobile Bodily Injury and Property Damage Liability Insurance will find their protection more valuable than ever, and those who do not carry it are cautioned to secure it at once. This may be done by simply getting in touch with this office.

If you, or anyone you know, should have any questions on this important subject, this office has full information available and is also prepared not only to write the required policies but is able to render superior service to claims, etc. Inquiries and new accounts are WELCOME.

BOYS STATE DELEGATES CONVENE

On Wednesday evening, June 9 the various American Legion Posts of the 26th district treated their delegates to Boys State to a banquet at the Skyways Cafe at San Francisco Airport. About fourteen High School Juniors were present. Many being accompanied by their sponsoring Post's representative. After a delightful dinner one of last year's delegates gave some interesting highlights on what to expect at the convention in Sacramento. Following this the group was inducted on a tour of inspection through the Pan-American Airways plant.

The local delegate, Robert Tann, was accompanied by H. Earle Woodard, Brisbane Post No. 473.

GIRLS' SOFTBALL TEAM

On Saturday, June 5th at Brisbane the Girls' Recreation Softball Team beat Bayshore's Team by the score of 20 to 7. The girls wide margin of victory was because of their fine hitting. Brisbane got to Bayshore's pitcher for 22 hits in all. The heavy hitters for Brisbane were Kay Dostal with 5 for 7 and Anita Gull with 4 for 6. The Girls team as a unit looked very much improved over the previous week. Their fielding, hitting and team co-operation was much improved and they really earned their victory. Barbara Kyles pitched a fine game and is showing improvement right along.

Brisbane's Girls' Recreation Softball team Saturday, May 29th at Portala lost their first game of the season by the score of 10-6. As this was the girls' first game they really looked pretty good. They showed lots of hitting power and out-hit Portala 10 hits to 6 hits. Dorothy Dostal and Sally Wakelee led the hitters with both girls getting 2 for 4. Dorothy Dostal got a double and Pat Deuscher got a home run; Barbara Kyles pitched a fine game for her first game of the season. The girls lost the game because of the six errors in the first inning but then settled down to outplay and out-hit Portala.

The following named girls are members:

Bernadine Crowley	Marge Chase
Margie VanKirk	Pat Deuscher
Anit Gull	Barbara Kyles
Sally Wakelee	Kay Dostal

PRESENTATION OF MEDALS MADE

On Tuesday evening at 8 o'clock on the 18th of May the Recreation Department ran off its sport film night for all parents and children alike. The big attraction of the evening was the presentation of the medals to the 110 lb. Recreation Basketball Champions of 1948. The boys receiving the medals were:

Donald Delbon	Charles Marin
Snooky Mayes	Larry Blanchard
Wilmer Olson	Mansel Roland
Richard Trantham	Dick Firth
Henry Schmidt	Ray Record
Wally Gull	Don Gorman

Also included in the evening's program was the showing of different reels of sport film such as "Play Ball Son," Championship Basketball, "Pitching Stars" and "Famous Fights."

Mr. M. C. Thitgen the assistant superintendent of Recreation of San Mateo County came all the way up from Menlo Park himself to personally show the reels of sport film.

The evening was enjoyed very much by all the people who attended.

Thank you,
Mr. Eddie Davenport
County Recreation Director,
Brisbane, Calif.

BRIDAL SHOWER

Miss Louise Ross, and Miss Anita Lehigh, were cohostesses at a bridal shower for Miss Alice D'Isep of Daly City. Others attending from Brisbane were Virginia Bhend, and Betty Ann Pistohl. Alice is well known to many of the Brisbane younger set. A graduate of Jefferson High School, she will graduate from San Mateo J. C. on June 18th. She will be married to Mr. Donald Johnson on June 26 at Grace Lutheran Church in Burlingame.

GRADUATION EXERCISES

Graduation for the class of 1948 of the Brisbane Elementary School took place Wednesday evening June 9, at 8 o'clock at the Bayshore School Auditorium.

Thirty-seven boys and girls received their diplomas from Miss Lipman, Superintendent and eighteen of this number had started in the first grade and had attended this school for the past eight years. This marked the twelfth graduating class from Brisbane and ended a year of very interesting events.

Guest speaker of the evening was Dr. A. B. Murphy of San Francisco State College, who gave a short talk on the benefits derived from our Bill of Rights. This was the theme of the evening and 4 members of the class gave excellent speeches on the subject. They were Scott Hickman on "The Rights we Defend," Alfreda Pistohl on "The Right of Free Speech," Richard Trantham with "The Right of Fair Trial" and Edith Davis gave "The Right of Free Press."

The stage was very beautifully decorated with various green vines and made a perfect setting for the pretty pastel colors of the gowns worn by the girls. The boys were also resplendent in new outfits.

The band under the direction of Mrs. Bartlett played four selections and girls in the Choral Group sang two well selected pieces.

The eighth grade Glee Club Girls also entertained with two songs of their own.

Many thanks to Miss Lois Barry, principal and Mrs. Paulsen, eighth grade teacher for their excellent supervision and instruction, and the best of luck and good fortune for the future to all you graduates!

PUBLIC REQUESTED SPECIAL EMERGENCY MEETING

A great number of the General Public have requested that a special meeting should be called, due to the present emergency of being without a Police Officer, and furthermore they desire more information regarding the Police District. In answer to this request, Police Commissioner Fred H. Schmidt requested this special called meeting in the proper order to the Chairman of the Board. However the meeting was held on Friday, June 11th at 8 p. m. at the school auditorium and a great number of the general public attended.

The citizens were informed on various problems and difficulties in obtaining the proper officer and other important matters, such as to applications for the position. Having the ability and qualifications and being a Brisbane man.

There were six (6) applications received, all are residents of Brisbane. Several did have Peace officer's experience. The financial problems were explained.

Action is being taken to have proper protection such as traffic at important intersections, etc. Also the recent news headlines broadcasting Brisbane Police force had resigned. All this had much bearing on the vital called meeting.

The Commissioners, E. Bybbee and E. Krampert were not present.

Fred H. Schmidt,
Police Commissioner,
Brisbane Police District.

"GOLD MINE FOUND"

In the newly made raceway of the Saw Mill erected by Captain Sutter, on the American Fork, gold has been found in considerable quantities. One person brought thirty dollars worth to New Helvetia, gathered there in a short time. California, no doubt, is rich in mineral wealth, great chances here for scientific capitalists. Gold has been found in almost every part of the country."

The above is a copy of the first published notice of the discovery of gold in California, as it appeared in the San Francisco **Californian** of Wednesday, March 15, 1848.

No Gold Rush — Yet

The centennial of gold discovery was celebrated on January 24; but **gold rush** festivities, then or now, are premature. Not that it matters, of course, if one is in the mood for a fiesta, but let's not get the record confused.

To learn the true magnitude of California's gold deposits, and to spread the news of the discovery, both took time. The finding of a few particles of gold at Coloma was hardly more than a hint of the wealth that lay within easy reach along the Sierra. Even there at the scene of action the importance of the discovery was only gradually realized.

And news traveled slowly then. If it were now, notice of such discovery, even a small one, would probably be headlined throughout the world the next morning. But the first published news of California's gold did not appear until March 15 — fifty-one days after James Marshall's discovery. And then the notice was only a perfunctory item hidden at the bottom of the second page.

By that time, of course, some of the more excitable and venturesome Spirits in California had traveled to the scene of the discovery, but not until May did the San Francisco newspapers note anything like a rush to the gold fields. By a year from then, the Spring of 1849, the great human tide was setting in from the far corners of the globe.

This Peninsula A Century Ago

What, then, was happening on this Peninsula a century ago now — the winter of 1848?

The answer is, not much. For a year and a half the country had been occupied by American troops with garrisons in San Francisco

and San Jose. The number of curious, exploring Americans traveling up and down the Peninsula had gradually increased, and two of them set up saw mills near the present Woodside. But there had been no substantial change in the population. The California rancheros continued to live in their adobe houses (there were some twenty of them on the Peninsula), and to tend their immense herds of long-horned cattle.

In matters of public concern, everyone was marking time—waiting for news of a peace settlement that would officially bring to an end the state of war that still existed with Mexico. A treaty of peace, with cession of territory, was signed in Mexico City on February 2, but ratification in Washington and Mexico was not completed until late in May. News of these events, which made the California area a part of the United States, was received in due time as ships arrived to bring it.

The answer to the next question, what would the **Americanos** do with their new territory and their newly acquired citizens in California, was slower in coming. It was up to Congress to supply this answer, and Congress was dead-locked, as usual in those times, on the question of slavery in new territories. Hence California waited, and waited, until its patience ran out. Then its forty-thousand new gold-rush settlers took things into their own hands and helped to supply the answer.

FOLK DANCING

Dr. Hartzell Ray, Special Events chairman for the San Mateo County Fiesta, announced today that details have been completed for statewide participation of folk dancers.

Walter Grothe of San Francisco, president of the California Federation of Folk Dancers, indicated that a delegation of 500 or more colorfully garbed folk dancing enthusiasts would stage a four hour show of pagentry and music on Sunday, August 15th. Folk dancers will be drawn from such distant points as Los Angeles, Santa Barbara, Chico and Marysville. County folk dancing units of State Federation will send representatives from South San Francisco, San Bruno, Montara, San Mateo, San Carlos and Redwood City.

Ernest Elliott, president of the Vagabonds of Burlingame in colla-

boration with Annamarie Steinbiss, Three Cities folk dancing instructor in high schools, is preparing a special repertoire of dances.

SHOWER FOR BRIDE-TO-BE

A lovely miscellaneous shower given by Mrs. John Muzzy of 351 Mariposa Street and Mrs. G. R. Campbell of San Francisco took place at Mrs. Muzzy's home Friday evening May 21st in honor of their niece Miss Dona Wells of San Francisco.

Among the thirty-seven guests attending those from Brisbane were Mrs. Ruth Mack and Mrs. B. Miles. The remaining number were all from San Francisco.

The guest of honor was the recipient of many beautiful and useful gifts.

Refreshments of cake, ice cream and coffee were served at the close of the evening and an especially good time was had by all.

FROM A LITTLE ACORN A MIGHTY TREE GROWS

One evening, near the end of January, 1948, a little over four months ago, a few boys met at the Brisbane Recreation Center. This meeting turned out to be the beginning of an organization that is now known as the B. S. A. —C S. A. No. 134 Drum and Bugle Corps, Brisbane, California.

From that evening until the present time, through regular weekly practice as a group, some individual instruction on the side and a lot of home work, this group has made very rapid progress and, as of this writing, they are taking advantage of every opportunity to do their share in putting the name of Brisbane on the map.

However, what these boys and girls have accomplished to date, could not have been done without the proper tools to work with and we have received wonderful cooperation from a few people in supplying us with the necessary funds to equip these boys and girls with the necessary instruments needed in order to do a good job.

We the Instructors, boys and girls of the Corps, will never forget what these people have done and we wish to take this opportunity to publicly thank them, and let the rest of the public know a little of what is going on, as far as their Drum and Bugle Corps is concerned.

The first group of boys that appeared at our meetings and indicated their desire to become members of the Corps had to be taught how to hold their Drum sticks and, after this, they had to be taught a few practice beats. A month after the first meeting, through a lot of practice at home, in addition to their weekly meeting with their instructors, using slate boards, and sometimes furniture, for Drums, they advanced enough to practice on Drums (the real McCoy). We then moved our weekly meetings to the Scout Room in the School House and, for the first time, the Drum and Bugles were brought together. They have continued to meet, practice and advance together, as one group, since this first time.

To start with, their equipment consisted of 8 small Side Drums, three of which had broken heads; 2 large, Band Size, Bass Drums,

with two broken heads; and 6 battered and badly bent Bugles.

In order to get this equipment in shape to use we had to have the Bass Drums cut down to Drum Corps size, which cost \$16.00 for each drum; replace the broken heads, at \$6.00 each. In addition to this, we needed Cymbals, Lyra-Bell and Bugles.

We let several people know what was needed and, up to this time, we have received wonderful support. We wish to thank these people, from the bottom of our hearts, for their part in helping us do our job keeping these boys and girls working together, which is the only way they can progress for the benefit of all concerned.

We used the money to buy 2 Bass Drum Heads; 3 new Side Drum Heads; 2 Bass Drum Slings; Bass Drum Beaters; 10 pair Side Drum Sticks; 1 Lyra-Bell; 16 new Bugles; 2 pair Cymbals; lettering for the Bass Drums; have the 2 Bass Drums cut to a smaller size and various other smaller articles and supplies too numerous to mention.

It is our sincere opinion that these boys and girls have shown their appreciation for this equipment by their actions and performance in the parades they have performed in to date. We used the money to the best of our ability and have tried to make it stretch as far as possible. Every cent that has been spent was used for the Drum and Bugle Corps and none of it was used for personal expenses in any manner.

After our first three performances some of the other Drum Heads were broken and it was necessary for us to raise more money to pay the bill. This was accomplished by holding a "Cake Sale" and the ladies and gentlemen donating the cakes and their time selling them are not in the least forgotten. Had it not been for them we would not had enough drums for the next parade. These, "Cakers" did a mighty fine job.

In addition to the money, cakes, etc., that have been donated to our cause, we have also received other forms of donations that are not forgotten, and, without them, we could not have progressed as we have.

We extend our sincere thanks to, Mayo Hogue, who has worked very hard and donated much of his time, in addition to money assisting us whenever and wherever we needed him. Also, we thank Jack Grabosky, who is always on the job with us, helping at every turn in this rough road; and Miss Laura Ross, who is doing a very good job instructing the majorettes.

We also wish to thank everyone who have donated their time cars and expense furnishing transport-

ation for us, including Charles Dixon, for the use of his very fine truck on several different occasions. The welcome mat is always out to all of you and we appreciate your services more than we are able to express in words.

The Corps is now badly in need of New Drums. The ones they have are costing too much to keep them in playable condition and, to complete the Corps, they need to add at least 8 more Side Drums in addition to the ones they have. The best price offered us to date is \$26.00 per Drum. Therefore, to replace 8 old Drums and add 8 new ones we will need more than \$400.00. We can not expect these drummers to do a good job with improper and broken tools and we are going to do all we can to see that they are properly equipped.

To accomplish this we now plan to hold a few dances to raise the necessary money. We sincerely hope the people of Brisbane will turn out and show these boys and girls how much their efforts to aid the community in general are appreciated.

At th first parade, DalyCity, May 2, 1948, the Drum and Bugle Corps came back with a Trophy and a Second Place Ribbon. The Girl Scouts, who now have organized a Marching Unit to go along with the Corps, also made their first appearance in the Daly City Parade, after only 2 or 3 practice sessions, and came back with a 3rd Place Ribbon.

The Drum and Bugle Corps put on their second show at the Civic Auditorium in San Francisco, at the Scout-O-Rama, and made a very fine showing.

Their third show was at Half Moon Bay, Sunday, May 16, 1948, and again they received the ma-

SCOUT NEWS

The Brisbane Firemen's Social Club, sponsors of Troop No. 134 gave \$30.00 Campership which will pay for two weeks at Camp Moore, to the Scout winning the First Aid Contest; which was held on June 3, 1948, at the Scout room. The Judges were Captain and members to the Brisbane Ambulance First Aid crew.

The Scouts and Cubs of Brisbane had a busy week—

Tuesday, Drum and Bugle practice; Wednesday, Scout meeting; Thursday and Friday, at the Scout-orama which was held in the San Francisco Civic Auditorium. The parents and friends that saw this show were proud and happy at the fine showing Brisbane Troop and Cub Pack No. 134 made. The Band was the best band there and our Scouts put up their towers first Thursday evening and 2nd Friday evening. These towers were 20 feet high. Everyone said it was a fine show, and are looking forward to seeing one next year.

Thanks to: Mr. Phillips Bollinger, Mrs. Joseph Heinzer, Mr. Walden Delbon, Mr. Milton Jensen, Mr. Roy Hickman, Mr. George Brady, Mr. Dick Hoskings, Mr. William Brown, Mr. Mayo Hogue and Roy Edwards, these parents and committeemen for the help they gave in taking care of the transportation and looking out for our group; also, a special "thank you" to Dick Hoskings and George Brady for the fine work you are doing in teaching so many Scouts and Cubs how to drum and play the bugle. Through their tireless efforts we have a Drum and Bugle Corps that all Brisbane can be rightfully proud.

BRISBANE P. T. A.

The regular meeting of the Parent Teachers Association was held on the fourth Thursday in May, at the School.

The meeting was called to order at 10:45 A. M. Mrs. Jensen called for all committee and chairman reports that were not in, and the business for the fiscal year was brought to a close.

The president conducted a 'roving reporter questionnaire', which enabled those present to become better acquainted.

Mrs. Ethel Nail, and Mrs.

Martha Adkisson had a display of bouquets and corsages, made from flowers in Brisbane.

The next meeting will be in September, Mrs. Lucille Record presiding.

FLORAL FIESTA

Two major appointments to the list of community officials helping plan the 1948 Fiesta, August 10th through 21st, were announced yesterday by George Lagmarsino, president of the Fiesta Board. Mrs. Henry Hellman, Burlingame garden club leader, was named chairman of the amateur division. Under her direction all participation will be set up for 22 garden clubs engaged in exhibit work at the show. Mrs. Hellman is past president of the San Mateo County Fuchsia Society and serves at present as a member of the Board of Directors of the American Fuchsia Society, which is a nation wide organization, of amateur fuchsia fans.

One of the highlights of the County Fair last year, was the 32 foot high fuchsia falls composed of floral baskets of living fuchsias. This was one of the major entries from this club.

A meeting of the garden club representatives was called by Mrs. Hellman at the Fiesta Office, 2501 Pacific Avenue. Policy and other exhibit details were discussed at that time.

The other major appointment announced by Lagmarsino includes that of M. J. Murphy, Burlingame postoffice executive and hobby enthusiast. Murphy, a veteran of World War II, became interested in leathercraft while a patient at Letterman General Hospital. This led to intensive study on his part and soon became recognized as one of the leading leathercraft workers in the bay region. Many of his articles captured major prizes at the 1946 and 1947 Fairs. Murphy is working on an outline of the type of exhibits he expects to call for. Tentatively these include ceramics, photography, jewelry woodcraft, lapidary and other interesting collections.

Murphy is an instructor in leathercraft at the San Mateo Junior College and plans to contact various organizations throughout the county.

BOYS' RECREATION BASEBALL TEAM

Boys 13-14-15 years old. Recreation Team Saturday, May 15th at Brisbane defeated Bayshore's team by the score of 13 to 8. We had beautiful weather for the game and our boys along with the weather played a beautiful game. Highlights of the game was when Supervisor Tom Hickey showed up and offered a dollar bill to the first boy on either team who hit a home run (A Bayshore boy won) Larry Blanchard was the winning pitcher and pitched a very fine game. Wilmer Olson led the batters with 4 for 5 including two tripels and a double and showed a fine arm along with baseball brains. Don Walton got 3 for 5 including a home run.

Many spectators turned out to watch the game and it was well worth watching.

May 22nd Game

On Saturday, May 22nd Brisbane's 13-14-15 year old boys baseball team grabbed itself another victory by beating Glen Park 4 to 3 at Glen Park, Brisbane although only out hitting Glen Park 3 hits to 2 hits cashed in on a couple of Glen Park errors to bring home victory.

Our boys in the first couple innings played as if lost but settled down then and played good ball Don Walton led the batters with 2 for 3 a triple and a double. The only other hit was a beautiful bunt laid down by Mansel Roland on a squeeze play bringing in the winning run. Larry Blanchard was the winning pitcher although being relieved by Don Delbon who turned in a fine game on the mound.

Both Delbon and Blanchard gave Glen Park one hit apiece and really put the pressure on to get out of some tight spots.

Dave Truelson who is the team's

manager has been doing a real bang-up job of it and, has put in a lot of real hard work.

May 29th Game

Brisbane's 13-14-15 year old Recreation Baseball team, Saturday, May 29th at Portola lost their first game of the season by the score of 10 - 1. Although the score seems to indicate differently the game was very hard fought. Portola earned only two runs whereas the others were all unearned and due to Brisbane errors. Although Brisbane far from played their regular game the boys gave their best and that is all that can be expected of anyone.

Wilmer Olson again led the batters with 2 for 4. Don Delbon pitched 5 and a half innings of fine ball allowing only 4 hits. Larry Blanchard finished the pitching job and also scored Brisbane's only run.

The boys gave their best and that's what really counts.

The philosopher, Marcus Aurelius, wrote: "Very little is needed to make a happy home." Any home can be happy, if—

1. The husband will avoid fault finding.
2. The wife will avoid fault-finding.
3. The parents will respect the right of their children.
4. The children will respect the right of their parents.
5. Everyone will speak in a soft voice.
6. The husband will appear for dinner on time.
7. The wife will serve dinner on time.
8. Each will do his duties cheerfully and promptly
9. Nobody will abuse his telephone, bathroom, automobile or radio privileges.

—L. H. Journal.

The home is the foundation of our American way of life; surely it is worth a little planning and care to keep it happy. Try these simple rules and see how friction disappears.

A Beautician reader suggests that we add a few beauty tips to the column, and as a starter, she sends these two fine cosmetic formulas:

Calomine Lotion: (Your druggist will measure these amounts for you)

- 1 grain powdered calomine (zinc carbonate)
- 2 grams glycerine
- 1 ounce lime water
- 1 ounce zinc oxide
- 1 ounce rose water.

Shake ingredients until blended.

This is a really wonderful hand-lotion, made in a large enough amount to use "extravagantly."

Aunt Alice Hand Lotion:

- 1 tablespoon Tragacanth
- 1 pint boiling water
- Let stand 24 hours. Then add:
- 2 oz. glycerine
- 2 oz. bay rum
- 2 oz. rose water
- 2 oz. witch hazel
- Few drops carbolic acid
- Juice of 2 lemons

Blend by shaking. Use after do-

ing dishes, before going out, always at bedtime; you will want to make some of this for gifts when you see how it whitens, soothes and heals the hands.

Helpful Hints:

Mothers: While you are assembling the ingredients for the above buy a little extra glycerine to keep on hand to add to the children's soap bubbles. A few drops will make the bubbles last much longer and will give them added color.

Nail Polish Notes:

Colorless nail polish can be used for so many things, we think a partial list might be useful:

To preserve the polish on brass buttons or buckles; to keep the edges of easily-fraying raw material from fraying; to protect and water-proof bottle labels; to cover the dark part of "saddle" shoes to prevent the white polish from getting into the grain of the leather.

The list is endless; I'm sure you have a few clever uses you can add. If so, send them in and we will be glad to print them. One more mention of nail polish—keep the bottle in the refrigerator and it will be good to the last drop.

A little girl in a Progressive School stamped her foot and snarled at her teacher: "Do I have to do as I please again today?"

June is the month of brides, and this little poem seems to sum up all of the promises of a bride to her husband:

"Song For a Wedding"

Very special, by Frances Frost.
Oh, I will bake you pumpkin pies,
And I will give you song,
And I will sew your buttons on,
My whole life long!

I'll give you a purring shed quite full

Of kittens and a cat,
And a spotted pup to gnaw your shoes,

Since you'd like that.

I'll give you some brand new voices, too,

And laughter and delight,
And boys for you to buy bikes for
And pop to bed at night.

Oh, I'll give you all the things

You've hungered for so long:

Dogs and cats and sons and pies

And gaily and song!

majority of the applause which indicated that those watching from the side lines recognized the Brisbane unit more than any of the other units.

These last two parades were non-competitive and no trophies or ribbons were awarded. Nevertheless, several thousand people from other communities saw our units in operation and the name of Brisbane was well placed before their eyes.

In our fourth parade, the second competitive one, the San Bruno Exchange Club Posey Parade of 1948, held at San Bruno, May 23, we were awarded First Prize, in our particular group. This was a nice Cup Trophy and the name of Brisbane, California was placed squarely before the eyes of about 28,000 people.

These cups, trophies and ribbons will be on display as soon as we can find the proper place to show them where everyone in the community will have a chance to see them.

We say: "Not bad for only four months practice."

As some of you already know, we have recently added a new instructor to our ranks, and we are happy to announce officially, at this time, that Ray Brown is now our Bugle Instructor. He is giving individual instruction to the new buglers until they are good enough to join the regular group and working with the regular buglers at each weekly practice session and, we think, he is doing a very fine job.

Now, in order that everyone may know these boys and girls that have been working so hard at a good clean and educational pastime, we present to you the members, at this time, of your Drum and Bugle Corps and Girl Scout Marching Unit:

Mr. Hubert J. Traynor, owner of the Ocean Shore Iron Works, San Francisco, heard about these boys and girls of the Drum and Bugle Corps, their progress and activities, through Ray Brown, one of his employees, and, as a consequence, they were all treated to the Shrine Circus at the Civic Auditorium in San Francisco, on the afternoon of Saturday, May 29th, at Mr. Traynor's expense.

We all say: "Thank you very much, Mr. Traynor." We appreciate this kind of appreciation. If we ever hear of anyone wanting to buy a boiler we shall certainly give them your name and address.

Several of the boys on the waiting list are receiving drum lessons and, by the time we can furnish them with drums, they will be ready to join the regular member list.

This, folks, is your Drum and Bugle Corps. Thanks everyone (if we have left out any names it was un-intentional) for everything you have done to assist us in keeping these boys and girls together. Some day they will show you their appreciation for giving them this opportunity and helping them put the name of Brisbane on the map.
